CONCERNING GRADES

FIELD GROWN STOCK:

Each plant listed in your order is graded liberally to a high standard with respect to individual beauty and well balanced growth.

It is our purpose to grade your entire order uniformly to a standard which will produce the most attractive landscape work.

LINING OUT STOCK:

Orders for Lining Out Stock are filled with strong, vigorous, well rooted plants. All weaklings, or plants without strong roots, are graded out.

All items of lining out stock are packed for shipment with roots wrapped in sphagnum moss.

The size and quality of our products have been satisfactory to the trade throughout a period of twenty-eight years in the Nursery Business.
